Know Us

Karsen & Welch Cleantech Industries was set up at **Chennai**, the capital of state **Tamil Nadu, India** in the year **2001**. We realized the huge potential the industry has to offer and thus ventured into a profitable business of **manufacturing and supplying of Floor Cleaners, Hand Wash, Bathroom Cleaners, Furniture Polish, Fabric Cleaners, Household Cleaners, Aroma Products, Industrial Cleaners and Air Fresheners**. All these items are widely used in homes, offices, factories, institutions and many other places where human activities are involved. The world is fast moving and we need to keep up with the pace, our organization has come out with tailor made solution for the complete cleaning concerns of all our esteemed clients. Clients can avail from us ready made cleaning solutions as per their needs, we have varied range and that too in huge quantities. Our decade long experience has given us enough exposure to give best products in the market, we have sufficient infrastructural facilities to meet the needs of clients in most efficient manner.

Our Organization runs in a very organized manner, as our business activities happen under the astute guidance of **Mr. K.S. Vedhamoorthy (CEO)**, he continuously stands by our side and provides every support that one needs. **Mr. Vedhamoorthy** is very enterprising individual, this quality of his benefits the organization immensely. His in depth knowledge and keen desire in business activities have facilitated smooth business processes.

We conduct manufacturing at our premises and have a well organized unit for the same. Manufacturing unit is equipped with all essential equipments and raw material which helps to carry out functioning efficiently. All the raw material is tested to ensure it is not adulterated and the quality is not compromised, as one cannot expect to make desired products with sub-standard raw material.
